# ~ Administration ~

On behalf of the White House Police Department, I am pleased to present to you the 2018 Annual Report of the White House Police Department. This annual report is a historical document for the police department to be kept as a permanent record. This report reflects the hard work, outstanding accomplishments and the professional service provided by the men and women of this department.

2018 was a very successful year for the White House Police Department. There were many personnel changes that occurred. In February of 2018, Officer Keith Anglin was hired as a patrol officer. In May of 2018, Officer David Segerson and Michael Thomas were called up for active duty with the Tennessee National Guard. They remained deployed the remainder of the year. In July of 2018 Officer Hayley

Doty and Officer Brandon Waller were hired as Patrol Officers.

The police department received several awards during 2018. In September 2018, at the Tennessee Life Saver's Conference, the White House Police Department received second place in the State of Tennessee for an agency 11-25 officers in the Law Enforcement Challenge. We also received first place in the State of Tennessee for an agency 11-25 officers for our Bicycle and Pedestrian Safety Programs, as well as a Special Category Award for our Traffic Enforcement Programs

In 2018, we applied for several grants. One grant was to the Tennessee Governor's Highway Safety Office for overtimes for officers to conduct increased DUI enforcement. We were successful in receiving this grant. This was a \$20,000 grant to cover overtime costs and to purchase two Digital in-car cameras and two light bars for the new SUVs. We also received a grant from the U.S. Department of Justice to pay for 50% of three bullet proof vests.

## ~ Grants ~

**Wal-Mart Community Safety Grant:** In November, the White House Police Department received a \$2,500 Community Safety Grant. The grant money will be applied towards the purchase of materials for all Crime Preventions/Injury Prevention/Safety Programs sponsored by the White House Police Department.

**Bulletproof Vest Partnership Grant:** In October, the White House Police Department was awarded the Bulletproof Vest Partnership Grant. The grant will reimburse the police department 50% of the total cost of the vests which will equate to a savings of \$1,200.00.

**Governor's Highway Safety Grant:** In September of 2018 we were awarded two separate grants due to our hard work and dedication to roadway, bicycle and pedestrian safety. Sgt. Brisson was selected by the THSO to be the Grant Coordinator and liaison for the Middle Tennessee District. With this honor the police department was awarded a \$20,000.00 grant to reimburse the department for any travel and training expenses due to Sgt. Brisson's position and left-over monies could be spent on vital safety equipment for the police department's officers to keep them safe while out on the roadways. We also received an additional \$15,000.00 grant. This money would be split, half used to pay officers overtime to work special DUI enforcement operations and the other to purchase much needed safety equipment while working the roadways such as additional lights, cameras and reflective vests.

## ~ Training ~

The White House Police Department employees are well trained to provide exceptional police services to the community. Proper training provides for greater productivity, effectiveness and unity of purpose. Proper training also enhances our ability to act decisively and correctly in our duties and responsibilities. Generally, we try to have officers trained as instructors in specialized areas so they can train our officers.

All of our full-time police officers are required to be certified by the State of Tennessee Peace Officer Standards and Training Commission. To obtain certification, officers must complete the basic course that includes a minimum of 400 hours of training. In addition, all officers must successfully complete forty (40) hours of in-service training each year.

All officers are required to participate in a *Field Training Program* designed to last eight to fourteen weeks depending on the employee's skills and ability. The new employee is with a *Field Training Officer* (FTO) this entire time while performance and knowledge is evaluated daily. At the end of each week, a summary of strengths and weaknesses are documented and signed-off by the new officer, the FTO, the supervisor-in-charge of the *Field Training Program* and the Chief of Police.

## ~ Drug Take Back Program ~

**GOT DRUGS?**  
Take your unused and expired medications to one of these locations on Oct 27 from 10:00 AM - 2:00 PM.

Sumner County Walgreens    Kroger, White House  
Fred's, Portland            Brown Pharmacy  
Perkins Drugs (Hartsville Pike)

The U.S. Drug Enforcement Administration (DEA) and the White House Police Department held two Prescription Drug Take-Back Days during 2018; both at Kroger in April and October. We collected a total of 193 pounds at both events. This was an opportunity for the public to prevent pill abuse and theft by ridding their homes of potentially dangerous, expired, unused, and unwanted prescription drugs for safe disposal. This initiative addresses a vital public safety and public health issue. Prescription drugs are being misused and abused at alarming rates in the United States—more Americans currently abuse prescription drugs more than the number of those using cocaine, hallucinogens, and heroin combined, according to the 2009 National Survey on Drug Use and Health. Many Americans are not aware that medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse.

~ S.P.E.A.R.E. ~  
*Self-Protection  
Environmental Awareness*

**S.P.E.A.R.E.**

(Self-Protection Environmental Awareness and Rape Education) was started by Sgt. Eric Enck in 2009. He, along with the assistance of other qualified helpers, instructed 175 – 200 women (ages 11-80) in Self Defense Education throughout the community this year.

# ~ Criminal Investigations Division ~

**Detective Sergeant Dan Hunter**

**Detective Danny Ward**

The Criminal Investigations Division is staffed by a Detective Sergeant and a Detective. The Detective Sergeant is responsible for the management of all criminal cases. This includes case assignment and case clearance. There are many ways in which cases are cleared. The most notable are: clearances when an arrest is made, any unfounded case, the case is referred to another agency, any case where prosecution is declined and/or the victim refuses to cooperate, or after exhausting all leads, we are unable to develop a suspect. Although all cases are not cleared, there are numerous times, through the investigation of a crime that occurred in another jurisdiction, a local crime may be cleared also. The Criminal Investigation's Unit works closely with the Tennessee Bureau of Investigation (TBI), the Federal Bureau of Investigation (FBI), and Homeland Security, as well as being an active member of local Child Protective Investigative Teams (CPIT) and Child Abuse Response Teams (CART). The Detectives also participate in criminal intelligence meetings with all surrounding agencies, ensuring that vital information on criminal activity is shared.

## ~ K-9 Unit ~

The White House Police Department has one K-9 Unit, Officer Jason Ghee and his K-9 partner, Kailee (assigned 2016). The K-9 Unit is prepared for call-outs at any time to assist patrol officers in vehicle sniffs. In addition to call-outs, the K-9 Unit is active in community service requests such as demonstrations at community events. Kailee loves to demonstrate her special skills and fascinate people of all ages with her remarkable skill to locate illegal substances.

In March of 2013, Officer Ghee and Nike (deceased) were assigned to the 18th Judicial Drug Task Force. The 18th Judicial District Drug Task Force is a task force comprised of several different agencies in Sumner County, Tennessee. These agencies include: Sumner County District Attorney's Office, Sumner County Sheriff's Office, Hendersonville Police Department, Portland Police Department, Gallatin Police Department and White House Police Department. The task force often works with other county, state and federal agencies in order to make arrests and take drugs off the street to make the citizens of Sumner County safer.

We are saddened to announce Retired K9, Nike, passed away on November 14<sup>th</sup> at the age of 12. Nike, a Black Lab, was acquired by the White House Police Department in January 2008. She was placed into service with Officer Jason Ghee until her time of retirement in September 2016. During her career, Nike was responsible for well over 1,000 arrests and over \$500,000 in narcotics and narcotic related proceeds. Nike retired after 8 years of service and upon her retirement, she was able to become a permanent member of Officer Ghee's home and family.

The White House Police Department would like to give a heartfelt thank you to all of the different organizations in White House who helped raise money to assist in purchasing Nike.

## ~ Emergency Response Team ~

Officer David Segerson is assigned to the Sumner County Emergency Response Team. We provide uniforms and some special equipment. They train monthly and are always on standby for call outs to emergency situations, felony warrant service, hostage situations, etc. The Emergency Response Team Call Outs in 2018, ranged from high risk search warrants, high risk arrest warrants, barricaded suspects and fugitive apprehensions.

Officer Segerson attended monthly training for ERT in January and February. In March, Officer Segerson was placed on active duty and deployed overseas with the Department of the Air Force National Guard. He remained on active duty the remainder of 2018.

## ~ Uniform Patrol ~

Police personnel generate incident reports when a complaint is of such a nature that it requires detailed information. Such reports include crime reports, information reports on suspicious circumstances, driving under the influence of drugs and/or alcohol, etc. We, as a local law enforcement agency, participate in reporting crimes that are committed in our respective community to the FBI through the State of Tennessee’s Incident Based Reporting System (TIBRS). The Tennessee Bureau of Investigation compiles and publishes the data in *Crime in Tennessee*, an annual publication. The Federal Bureau of Investigation (FBI) annually publishes *Crime in the United States* which details crime committed in all cities with a population of 10,000 or more residents. The information reported is obtained from local law enforcement agencies. Although the data we submit is very detailed on all crimes committed, the following tables give us a snapshot of the crimes that were committed in the City of White House:

|                                | 2018       | 2017        | 2016       | 2015        | 2014       |

## ~ Reserve Program ~

The purpose of the White House Police Department Reserve Officer Program is to allow citizens to participate in Law Enforcement functions on a voluntary basis, to promote a spirit of good citizenship, and to continue the development of strong Police-Community relations. In addition, this program provides assistance to the Police Department in the enforcement of law and the maintenance of peace. It serves to establish a trained emergency response team that can be called upon to act in a time of need.

The 10 Year Anniversary of the Reserve Program was recognized at the 2018 Awards Ceremony. The following stats are hours each Reservist has volunteered over the course of their term with us.

Officer Lou Meadows (10-year Reservist) volunteered 2,212 hours.

Officer Chris Davis (10-year Reservist) volunteered 1,317 hours.

Officer Jake Kennedy (10-year Reservist) volunteered 2,306 hours.

Officer Robert Chambers (7-year Reservist) volunteered 1,609 hours.

Officer Meadows, Officer Davis and Officer Kennedy have each had over 600 hours of training during their 10-year term. Officer Chambers has had over 407 hours of training in his 7-year term.

The total number of volunteer hours plus training is 9,651. They have saved the city in Patrol and Training \$232,974.90 (based on the national volunteer hourly rate of \$24.14) over their term with the White House Police Department.

Unfortunately, December 31, 2018, the White House Police Department will be dissolving the Reserve Program.

We would like to thank each one of these men for their dedication and sacrifice to our department. You each are a respected part of our Police Family.

## ~ Traffic Control ~

Traffic Control is our most visible work product. You see the marked police cars patrolling the city. You see them when they have their overhead lights on at a traffic stop or traffic crash. Sometimes you see them in your rearview mirror and you quickly check your speedometer and make sure to make a complete stop at stop signs. We try to bring order through traffic control devices and enforcement in what otherwise would be complete chaos on the street. Can you imagine an intersection with no stop signs or traffic lights? With a major interstate and three state routes, the City of White House receives more vehicles traveling through or stopping to visit than many cities the same size. We take pride in the fact that our officers are highly trained in conducting professional, courteous and safe traffic stops for both the motoring public and the officers.

### Traffic Crashes

Although we would consider crash reports as incident reports, we have kept them separated for this report. The State of Tennessee requires us to submit a report that has been developed by them. We refer to this as the *Tennessee Uniform Traffic Crash Report*. The State has specific guidelines as to what is a reportable crash and what is not reportable. We are not required to report minor crashes with no injuries and damage less than \$400.00.

The following is a breakdown of crash reports that were reported to the State.

|                              | 2018 | 2017 | 2016 | 2015 | 2014 |
|------------------------------|------|------|------|------|------|
| <b>Traffic Crash Reports</b> | 467  | 436  | 414  | 395  | 344  |
| Injury Crashes               | 53   | 54   | 51   | 54   | 42   |
| Fatalities                   | 0    | 0    | 1    | 0    | 1    |

Crashes increased by 7% this year. Sergeant Brisson is actively involved with the Tennessee Highway Safety Office. Together they keep us involved in traffic safety campaigns such as “Click it or Ticket” and “Booze it and Lose it!” These campaigns are designed to reduce traffic crashes and the severity of injury.

### Traffic Enforcement Activity

The following table depicts our efforts in the enforcement of traffic code violations. We cite under many State and Local codes. Most traffic violators are cited into the City of White House Traffic Court, but in some cases we cite them into the General Session’s Court in the county of violation.

| Enforcement of Traffic Laws | 2018  | 2017  | 2016  | 2015  | 2014  |
|-----------------------------|-------|-------|-------|-------|-------|
| Written Citations           | 1,771 | 1,604 | 1,681 | 2,085 | 3,241 |

| Verbal Warnings             | 4,014 | 2,405 | 2,100 | 2,558 | 5,142 |

## Traffic School

Six Traffic Schools were instructed in 2018 by our Certified Instructors, Sergeant Joel Brisson and Sergeant Patrick Bagwell. Fifty-three citizens attended Traffic School in 2018. Our instructors are certified by the State of Tennessee Department of Safety to provide driver education courses.

## ~ Expenditures ~

As with any organization, personnel costs consume a large portion of the police department's budget. Expenditures for all police and communications for the fiscal year 2017-2018 decreased by \$195,792 from 2016-2017.

and improve community relations. "We hope that viewers will see how special this community is. Even though we are split into two counties we are still one community, and we think this video captured that," Police Chief Patrick Brady said.

After seeing many similar videos on social media, White House resident Gordon asked if the White House could make a video. Brady was the idea and invited officers to help.

"When we sat down with them for the very first meeting, we thought we wanted the community to be the focus," Brady said.

**Robertson Schools celebrate Read Across America Week**

Robertson County Schools across the Robertson County school district celebrated "Read Across America" last week by inviting civic and elected leaders to read to students in honor of Dr. Seuss, whose birthday was March 2. The National Education Association's program is an annual one, promoting literacy and awareness nationwide.

Schools began the week with various administrators, elected officials, and other community leaders reading a Dr. Seuss book to a school of students.

Woodall Elementary hosted more than 20 readers as part of the week-long emphasis on reading. The elementary school provided their own version of participation throughout the week with outside readers invited to spend time reading one book to one student.

**White House K9 Nike passes away**

**SUBMITTED**

The White House Police Department is saddened to announce the passing of retired K9 Nike, who passed away at the age of 12. Nike, a black Labrador, was acquired by the W.H.P.D. in January 2008. She was placed into service with Officer Jason Ghee until her time of retirement in September 2016.

During her career, Nike made more than 1,000 arrests and more than \$50,000 in narcotics and narcotic related proceeds. Nike retired after eight years of service and she then became a permanent member of Officer Ghee's home and family.

The White House Police Department would like to give a heartfelt thank you to all of the organizations in White House that helped to raise money to assist in the purchase of Nike.
