City of White House Basis of Accounting and Budgeting

The City of White House, Tennessee operates as a Mayor-Aldermanic form of government under the General Law Charter as provided in the Tennessee Code Annotated, Title 6.

Basis of Accounting

TCA 9-2-102 requires that every City maintain an accounting system approved by the Comptroller of the Treasury.

The City of White House follows the “generally accepted governmental accounting principles” and operates on the basis of funds, each of which is considered to be a separate accounting entity. That is, the operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, equities, revenues and expenditures as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped into both fund types and fund categories as follows:

Governmental Funds

Governmental funds are those through which most governmental functions of the City are financed. The acquisition, use, and balances of the City’s expendable financial resources and related liabilities are accounted for through governmental funds. The measurement focus is based upon determination of changes in financial position, rather than upon net income determination. The following are the City’s governmental fund types:

- **General Fund**-The General Fund is the primary operating fund of the City and is used to account for all financial resources of the City, except those required to be accounted for in another fund. The Debt Service Fund is included in this category due to the fact that the City’s Property Taxes also support this fund.
- **Special Revenue Funds**-Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The City has 6 special revenue funds which are State Street Aid Fund, Police Drug Fund, Industrial Development Fund, Impact Fee Fund, Park Sales Tax Fund, and Cemetery Fund.

Proprietary Funds

Proprietary funds are used to account for the City’s ongoing activities which are similar to those often found in the private sector. The measurement focus is based upon determination of net income. The following are the City’s proprietary fund types:

- **Enterprise Funds**-Enterprise funds account for operations that provide a service to citizens and are financed primarily by a user charge for the provision of that service, and activities where the periodic measurement of net income is deemed appropriate for capital maintenance, public policy, management control, accountability or other purposes. The City’s enterprise funds are the Wastewater Fund, Sanitation Fund, and Stormwater Fund.

Basis of Accounting and Budgeting – Continued

- Internal Service Fund-The Healthcare Fund has been established to support the partially self funded status of the City. The General Fund, Wastewater Fund, Sanitation Fund, and Stormwater Fund make contributions to the Healthcare Fund through which all dental insurance and related risk activity is recorded for the City.

All governmental funds utilize the modified accrual basis of accounting under which revenues and related assets are recorded when measurable and available to finance operations during the year. Property taxes are recorded as revenues and receivable when an enforceable legal claim arises; licenses, permits, fines, forfeitures, service charges, interest, and intergovernmental and miscellaneous revenues are recorded when received. Expenditures are recorded as the related fund liability is incurred.

All proprietary funds utilize the accrual basis of accounting. Under the accrual method, revenues are recognized in the accounting period in which they are earned, while expenses are recognized in the accounting period in which the related liability is incurred.

Basis of Accounting and Budgeting – Continued

Basis of Budgeting

Tennessee Code Annotated requires the preparation and adoption of an annual budget in the form of an appropriations ordinance before the City may expend any moneys from any governmental or proprietary fund and prohibits expenditures or expenses in excess of the appropriations. All appropriations lapse at year-end. Presented below are highlights of the basis for budgeting. For more information see the Legal Requirements section which follows.

An annual budget is legally adopted, or appropriated for the General Fund and special revenue funds. Annual appropriated budgets are also required for enterprise funds when there is outstanding debt.

The City's budgetary accounting and reporting differs from generally accepted accounting principles (GAAP). These differences may be classified into four categories: basic, timing, perspective, and entity differences. The City has basic differences from GAAP in the budgeting process for its proprietary funds. For example, the City budgets on a "cash basis" which means "revenues" and "expenditures" are recognized only when cash is received or disbursed, and budgets principal and interest payments in its annual appropriations ordinance.

State statute and city ordinance provides that the budget proposal and property tax ordinance be presented to the Board of Mayor and Aldermen prior to the beginning of the fiscal year. (All Tennessee cities have a fiscal year beginning July 1.) A Public hearing is conducted to obtain citizens' comments and comply with various federal and state mandates prior to the Board adoption of the budget. Prior to June 30, the Board of Mayor and Aldermen adopts the annual budget by passing the appropriations ordinance on two separate readings, making such appropriations in such sums as they find sufficient and proper. State statute requires that the governing body cannot make any appropriations in excess of estimated available funds (i.e., current revenues plus fund balance), except to provide for an actual public emergency.

The budget officer may transfer budgeted amounts from one appropriation to another within the same fund, subject to such limitations and procedures as set by the Board. Budget amendments are allowed by ordinance in the same manner as any other ordinance may be amended. (Two separate readings and a public hearing.)

Basis of Accounting and Budgeting – Continued

Legal Requirements

The following excerpts from the Tennessee Code Annotated and City of White House Municipal Code of Ordinance provide the basis for budget preparation and administration.

6-2-103. Annual operating budget and budgetary comparisons - Publication.

(a) Notwithstanding the provisions of any other law to the contrary, the governing body shall publish the annual operating budget and budgetary comparisons of the proposed budget with the prior year (actual) and the current year (estimated), which information shall include the following:

- (1) Revenues and expenditures for the following governmental funds: general, streets/public works, general purpose school and debt service;
- (2) Revenues for each fund shall be listed separately by local taxes, state of Tennessee, federal government and other sources;
- (3) Expenditures for each fund shall be listed separately by salaries and other costs;
- (4) Beginning and ending fund balances shall be shown for each fund; and
- (5) The number of full-time equivalent employee positions shall be shown for each fund.

(b) The publication shall be in a newspaper of general circulation and shall be published not less than ten (10) days prior to the meeting where the governing body will consider final passage of the budget.

[Acts 1991, ch. 484, § 8; 1992, ch. 760, § 2.]

6-56-203. Annual budget ordinance.

The governing body of each municipality shall adopt and operate under an annual budget ordinance. The budget ordinance shall present a financial plan for the ensuing fiscal year, including at least the following information:

- (1) Estimates of proposed expenditures for each department, board, office or other agency of the municipality, showing in addition, the expenditures for corresponding items for the last preceding fiscal year, projected expenditures for the current fiscal year and reasons for recommended departures from the current appropriation pattern in such detail as may be prescribed by the governing body. It is the intent of this subdivision that except for moneys expended pursuant to a project ordinance or accounted for in a proprietary type fund or a fiduciary type fund which are excluded from the budget ordinance, all moneys received and expended by a municipality shall be included in a budget ordinance. Therefore, notwithstanding any other provision of law, no municipality may expend any moneys regardless of their source (including moneys derived from bond and long-term

Basis of Accounting and Budgeting – Continued

note proceeds, federal, state or private grants or loans, or special assessments), except in accordance with a budget ordinance adopted under this section or through a proprietary type fund or a fiduciary type fund properly excluded from the budget ordinance;

(2) Statements of the bonded and other indebtedness of the municipality, including the debt redemption and interest requirements, the debt authorized and un-issued, and the condition of the sinking fund;

(3) Estimates of anticipated revenues of the municipality from all sources including current and delinquent taxes, non-tax revenues and proceeds from the sale of any bonds on long-term notes with a comparative statement of the amounts received by the municipality from each of such sources for the last preceding fiscal year, the current fiscal year, and the coming fiscal year in such detail as may be prescribed by the governing body;

(4) A statement of the estimated balance or deficit, as of the end of the current fiscal year;

(5) A statement of pending capital projects and proposed new capital projects, relating to respective amounts proposed to be raised therefore by appropriations in the budget and the respective amounts, if any, proposed to be raised therefore by the issuance of bonds during the fiscal year; and

(6) Such other supporting schedules as the governing body deems necessary, or otherwise required by law.

[Acts 1982, ch. 626, § 1.]

City of White House

Budgetary Policies and Procedures

Introduction

The budgetary policies of the City of White House provide the basic foundation from which the rest of the budget is built. Goals, objectives, and programs are established and built upon this foundation, within the framework of the policy guidelines.

Each City must operate under an annual budget ordinance adopted and administered in accordance with TCA 6-56-203. The budget ordinance of the City shall cover one (1) fiscal year which runs from July 1 to June 30.

The Budget

1. A comprehensive annual budget will be prepared for all governmental and proprietary fund types.
2. The budget will be prepared in such a manner as to facilitate its understanding by citizens and elected officials. The budget document shall be proficient as a policy tool, an operations guide, a financial plan and a communications medium.
3. One public hearing will be scheduled on the budget in order to insure greater citizen participation. This hearing is to provide a forum for which citizens may participate in the decision making process.
4. Copies of the proposed budget will be made available to the citizens and elected officials prior to the public hearing.
5. The budget format and process will continue to focus on the Value and Mission Statement and departmental goals and objectives for the future.
6. In preparing the budget, the City will consider its highest priority the maintenance of basic municipal services, facilities, and programs. It will provide all citizens with quality municipal services in a manner which is both efficient and effective.
7. Budgetary emphasis will focus on providing those basic municipal services which, at all times, provide the maximum level of services to the most citizens in the most cost effective manner with due consideration being given to all costs—economic, fiscal, and social.
8. Budgetary emphasis will continue to focus on improving productivity of City programs and personnel rather than increasing programs and personnel.

Revenue

1. In preparing the annual budget, the City will attempt to maintain existing tax rates and user charges for the citizens of White House at their current levels.
2. Before implementation of new user charges and taxes, the City will establish the purpose for the user charge or tax, investigate what other local governments are charging, and develop the cost of administering the charges or taxes. Additionally, all tax and rate structures will be evaluated every two years to see if any adjustments are necessary.
3. The City of White House will develop a diversified and stable revenue system to shelter it from short-term fluctuations in any one revenue source.

Budgetary Policies and Procedures – Continued

4. When possible, revenue sources will be designed to automatically increase, allowing collections to grow at a rate that will automatically keep pace with the cost of providing the service.
5. Wastewater and Sanitation charges will be set at a rate sufficient to finance operating, capital, debt service and replacement costs for each component of the fund.
6. The City will pursue an aggressive policy of collecting revenues.
7. The City will continue to aggressively pursue opportunities that may exist for Federal and State grant funding.
8. The City will estimate its annual revenues in an objective, conservative manner.

Expenditures

1. Current expenditures will be limited to levels which can be supported by current revenues and other existing resources.
2. The City will attempt to avoid budgetary practices that balance current expenditures at the expense of future year obligations. The City has found that deferred improvements to the City's infrastructure and routine maintenance will increase future operating costs.
3. The City will provide performance indicators to measure efficiencies and effectiveness for expenditure programs included within the Budget.

Capital Improvements

1. The City of White House will continue to prepare a six year capital improvements program. The Capital Improvements Program (CIP) will be updated annually.
2. The City will make capital improvements in accordance with the six year capital improvements plan.
3. The updating of the six year capital improvements program will occur with the preparation of the Budget.
4. The City will identify the estimated cost and potential funding source for each major capital improvement. Projected operating revenues and operating costs associated with a proposed major capital improvement will be submitted to the Board of Mayor and Aldermen.

Debt

1. The City of White House will limit long-term debt to those capital improvement projects which cannot be financed from current revenues.
2. When the City finances a capital project by issuing bonds or capital notes, the maturity date of the bond or notes will not exceed the estimated useful life of the project.
3. The City of White House will adhere to a policy of full public disclosure with regard to the issuance of debt.
4. Long-term debt will not be used for current operating expenditures.
5. All anticipated debt will be submitted to the State Comptroller's Office for approval prior to issuance.

Budgetary Policies and Procedures – Continued

Reserve

1. Due to possible swings in the local economy which may have a sudden and severe impact on the City's revenues, the City will annually reserve excess cash in a fund balance.
2. The General Fund is the City's primary operating fund and requires the most liquidity from year to year. The City will strive to maintain a fund balance of at least 30% of operating revenues.
3. The City will strive to use fund balances only for large one-time capital expenditures such as buildings, land, and equipment. The City recognizes the long-term consequences associated with the use of fund balance to finance current operations.
4. Fund Balances will be used in times of financial crisis, or in times of natural disasters, when deemed appropriate by the Board of Mayor and Aldermen.

Cash and Investments

1. The City will make a cash flow analysis of all funds on a regular basis.
2. The City will invest excess cash at competitive interest rates.
3. All cash accounts and investments of the City which exceed federally insured limits will be fully collateralized.
4. The City will pursue a conservative overall investment strategy, with the protection of principle as the number one priority.

City of White House Debt Management

The City of White House offers many amenities and varied services to its residents. As a result, these residents expect a high level of service. This expectation, coupled with increased growth, challenges the City's ability to meet these demands. There is a need for more parks, community facilities, wastewater facilities, and equipment to provide those services. Quite often, these types of projects must be financed through some type of debt issuance. Issuing debt commits a government's revenues several years into the future, and "spreads" the cost over a seemingly useful life. This financing of projects can be attained through issuance of bonds, long-term loans, or capital notes. The City of White House has adopted the following policies regarding long-term debt:

1. The City of White House will limit long-term debt to those capital improvement projects which cannot be financed from current revenues.
2. When the City finances a capital project by issuing bonds or capital notes, the maturity date of the bond or notes will not exceed the estimated useful life of the project.
3. The City of White House will adhere to a policy of full public disclosure with regard to the issuance of debt.
4. Long-term debt will not be used for current operating expenditures.
5. All anticipated debt will be submitted to the State Comptroller's Office for approval prior to issuance.

Annual debt payments for Fiscal Year 2014-2015 in the General Fund are 11% of total operating expenditures. Wastewater Fund debt payments are 44% of total operating expenses.

GENERAL FUND

2008 General Obligation Refunding Bonds (General Fund Portion) – The City issued bonds refunding the 2000 TN Loans IVE-5, and 2007 TN Loans Z-5-C in order to lock in fixed interest rates and reduce variable interest rate exposure. The former bonds were used to finance parks improvements, equipment for fire protection and public works, as well as construction of and expansions for the public works, police department and fire department buildings, and architectural design of a recreation center. During FYE 6/30/15 this issue was refunded (along with the 2009 bond issue) to take advantage of more favorable interest rates and shorten the maturity by one year. The remaining portion of this issue that was not eligible to be refunded has an interest rate that varies from 4.0% to 4.05% and will fully mature on 6/1/2018.
Outstanding principal and interest at 6/30/16-\$815,560.

2013 General Obligation Public Improvement Bonds – The City issued bonds for the purpose of financing the development, construction, and equipping of a new library. This issue has a true interest rate of 3.9949036%. *Outstanding principal and interest at 6/30/16-\$4,869,921.*

2015 General Obligation Bonds (Fire Impact Fee Portion that has been moved to General Fund) – The City refunded a portion of the 2008 and all of the 2009 series bonds to take advantage of lower interest rates and shorten the 2008 issue maturity date by one year. Originally the City issued the 2009 bonds to refund the 1999 G.O. Refunding Bond, as well as

Debt Management – Continued

Capital Outlay Notes from 2004, 2005, and 2006 in order to take advantage of lower interest rates. The former bonds and notes were used to finance the purchase of equipment for public safety, constructing various public works projects, Phases II-IV of the Greenway, parking lot improvements at the Municipal Center, purchase of public works equipment, and purchase land for construction of Fire Station #2. This issue has an interest rate that varies from 2.0% to 3.0%. *Outstanding principal and interest at 6/30/16-\$3,061,107*

SPECIAL REVENUE FUNDS

Special Revenue Funds include the Parks Sales Tax Fund, and the Impact Fee Fund. These revenues can only be used for specific types of projects, and may not be used for general operating expenditures.

<u>Debt</u>	<u>Police Impact Fees</u>	<u>Fire Impact Fees</u>	<u>Parks Sales Tax</u>	<u>Total</u>
2015 (2009) G.O. Refunding Bonds (Public Safety Equipment, public works projects, Phases II-IV of the Greenway, purchase land for construction of Fire Station #2, Fire Impact Fees portion is currently being funded from General Fund due to lack of impact fees.)			\$109,968	\$109,968
Annual Debt Service			\$109,968	\$109,968

ENTERPRISE FUNDS

WASTEWATER FUND

2008 General Obligation Refunding Bonds (Wastewater Portion) – The City issued bonds refunding the 1997 TN Loans IIF2 in order to lock in fixed interest rates and reduce variable interest rate exposure. The former bonds were used to finance improvements to the sewer system. This portion of the 2008 issue was not refunded due to its maturity date being 6/1/2017. This issue has an interest rate of 4.00%. *Outstanding principal and interest at 6/30/16-\$78,000.*

2012 General Obligation Refunding Bonds – The City issued bonds refunding the State Revolving Fund Loan Agreement CWSRF 01-153. The former loan agreement was issued for the purpose of constructing wastewater treatment facility improvements including an active mechanical treatment system. The interest rate on the loan varies from 1.0% to 2.0%. *Outstanding principal and interest at 6/30/16-\$1,727,770.*

Debt Management – Continued

2009 State Revolving Fund Loan Agreement CWA 09-246 – between Tennessee Dept. of Environment and Conservation and the City of White House, including ARRA forgiveness for 40% of the loan for the purpose of constructing the Copes Crossing pump station. The interest rate on the loan is 1.77%. *Outstanding principal and interest at 6/30/16-\$531,694*

2010 State Revolving Fund Loan Agreement SRF 10-256 – between Tennessee Dept. of Environment and Conservation and the City of White House, as a companion loan for CWA 09-246 also for constructing the Copes Crossing pump station. The interest rate on the loan is 1.74%. *Outstanding principal and interest at 6/30/16-\$337,685*

2011 State Revolving Fund Loan Agreement CG0 11-278 – between Tennessee Dept. of Environment and Conservation and the City of White House, for a projected total of \$969,000 with \$193,800 in loan forgiveness for the Sewer Rehab project. The interest rate on the loan is 1.88%. *Outstanding principal and interest at 6/30/16-\$806,546.*

2012 State Revolving Fund Loan Agreement CG1 12-302 – between Tennessee Dept. of Environment and Conservation and the City of White House, for a projected total of \$3,600,000 with \$400,000 in loan forgiveness for the Hobbs Drive project. The interest rate on the loan is 1.00%. *Outstanding principal (excluding forgiveness of \$378,177) at 6/30/15-\$3,322,091 with draws continuing throughout the year.*

2013 State Revolving Fund Loan Agreement CG2 13-326 – between Tennessee Dept. of Environment and Conservation and the City of White House, for a projected total of \$1,600,000 with \$400,000 in loan forgiveness for the Headworks project. The interest rate on the loan is 0.75%. *Outstanding principal (excluding forgiveness of \$21,502) at 6/30/15-\$107,510 with draws continuing throughout the year.*

Less: Annual Debt Service	92,190	523,467	729,005
This should be greater than or equal \$0.	\$ 560,479	\$ 9,793	\$ 193,222

ORDINANCE 15-14

**AN ORDINANCE OF THE CITY OF WHITE HOUSE, TENNESSEE,
ADOPTING THE ANNUAL BUDGET (AND TAX RATE) FOR THE FISCAL YEAR BEGINNING
JULY 1, 2015 THROUGH JUNE 30, 2016.**

- Whereas, *Tennessee Code Annotated* Title 9 Chapter 1 Section 116 requires that all funds of the State of Tennessee and all its political subdivisions shall first be appropriated before being expended and that only funds that are available shall be appropriated; and
- Whereas, the Municipal Budget Law of 1982 requires that the governing body of each municipality adopt and operate under an annual budget ordinance presenting a financial plan with at least the information required by that state statute, that no municipality may expend any moneys regardless of the source except in accordance with a budget ordinance and that the governing body shall not make any appropriation in excess of estimated available funds; and
- Whereas, the governing body has published the annual operating budget and budgetary comparisons of the proposed budget with the prior year (actual) and the current year (estimated) in a newspaper of general circulation not less than ten (10) days prior to the meeting where the governing body will consider final passage of the budget.

NOW THEREFORE BE IT ORDAINED BY THE CITY OF WHITE HOUSE, TENNESSEE AS FOLLOWS:

SECTION 1: That the governing body estimates anticipated revenues of the municipality from all sources to be as follows:

General Fund	FY 2014		FY 2015 Estimated	FY 2016 Proposed
	Actual

Wilkinson Lane LS Upgraded Panel/VFDs	\$ 50,000	\$ -
Northern Force Main Extension	\$ 500,000	\$ -

SECTION 6. No appropriation listed above may be exceeded without an amendment of the budget ordinance as required by the Municipal Budget Law of 1982 T.C.A. Section 6-56-208. In addition, no appropriation may be made in excess of available funds except to provide for an actual emergency threatening the health, property or lives of the inhabitants of the municipality and declared by a two-thirds (2/3) vote of at least a quorum of the governing body in accord with Section 6-56-205 of the *Tennessee Code Annotated*.

SECTION 7. Money may be transferred from one appropriation to another in the same fund only by appropriate ordinance by the governing body, subject to such limitations and procedures as it may describe as allowed by Section 6-56-209 of the *Tennessee Code Annotated*. Any resulting transfers shall be reported to the governing body at its next regular meeting and entered into the minutes.

- SECTION 8. A detailed financial plan will be attached to this budget and become part of this budget ordinance. In addition, the published operating budget and budgetary comparisons shown by fund with beginning and ending fund balances and the number of full time equivalent employees required by Section 6-56-206, *Tennessee Code Annotated* will be attached.
- SECTION 9. If for any reason a budget ordinance is not adopted prior to the beginning of the next fiscal year, the appropriations in this budget ordinance shall become the appropriations for the next fiscal year until the adoption of the new budget ordinance in accordance with the Section 6-56-210, *Tennessee Code Annotated* provided sufficient revenues are being collected to support the continuing appropriations. Approval of the Director of the Division Local Finance in the Comptroller of the Treasury for a continuation budget will be requested if any indebtedness is outstanding.
- SECTION 10. There is hereby levied a property tax of \$1.2315 per \$100 of assessed value on all real and personal property in Robertson County, and Sumner County.
- SECTION 11. This annual operating and capital budget ordinance shall be submitted to the Comptroller of the Treasury or Comptroller's Designee for approval if the City has notes issued pursuant to Title 9, Chapter 21, TCA or loan agreements with a public building authority issued pursuant to Title 12, Chapter 10, TCA approved by the Comptroller of the Treasury or Comptroller's Designee within 15 days of its adoption. This budget shall not become the official budget for the fiscal year until such budget is approved by the Comptroller of the Treasury or Comptroller's Designee in accordance with Title 9, Chapter 21, TCA.
- If the Comptroller of the Treasury or Comptroller's Designee determines that the budget does not comply with the Statutes, the Governing Body shall adjust its estimates or make additional tax levies sufficient to comply with the Statutes, or as directed by the Comptroller of the Treasury or Comptroller's Designee. If the city does not have debt, it will file this annual operating and capital budget ordinance and supporting documents with the Comptroller of the Treasury or Comptroller's Designee.
- SECTION 12. All ordinances or parts of ordinances in conflict with any provision of this ordinance are hereby repealed.
- SECTION 13. All unencumbered balances of appropriations remaining at the end of the fiscal year shall lapse and revert to the respective fund balances.
- SECTION 14. This ordinance shall take effect on July 1, 2015, the public welfare requiring it.

RESOLUTION 15-06

**A RESOLUTION OF THE CITY OF WHITE HOUSE, TENNESSEE, AUTHORIZING
APPROPRIATIONS FOR FINANCIAL AID OF NON-PROFIT ORGANIZATIONS**

WHEREAS, pursuant to the authority granted by Section 6-54-111 of the *Tennessee Code Annotated*, and in accordance with the *Internal Control and Compliance Manual for Tennessee Municipalities* authorizing appropriations for financial aid of the below mentioned non-profit charitable or non-profit civic organization whose services benefit the general welfare and residents of this municipality; and

WHEREAS, the below named organizations are non-profit charitable and non-profit chamber of commerce whose year-round services benefit the general welfare and economic development of this municipality; and

WHEREAS, section 6-54-111 of *Tennessee Code Annotated* authorizes appropriations of funds for financial aid of such non-profit charitable or non-profit chambers of commerce; and

WHEREAS, the *Internal Control and Compliance Manual for Tennessee Municipalities* Title 4, Chapter 3, Section 1, requires that a special resolution be adopted for each such non-profit which is to receive such funds.

NOW, THEREFORE, BE IT RESOLVED by the Board of Mayor and Aldermen of the City of White House that:

Section 1. The Board of Mayor and Aldermen may appropriate funds from time to time, in such amount as is deemed proper, for the financial aid of Mid-Cumberland Human Resource Agency (HRA), a non-profit charitable organization whose year-round services benefit the general welfare of the residents of this municipality; the White House Area Chamber of Commerce, a non-profit business league whose year-round services benefit the economic development efforts of the municipality; Realizing Robertson's Future a non-profit organization whose focus is economic, business, and workforce development plan for Robertson County; and Tennessee Small Business Development Center at Volunteer State Community College.

Section 2. A total amount of \$1,500, appropriated by the municipality for use by the Mid-Cumberland HRA, shall be spent for transportation and meals on wheels. A total amount of \$25,000 shall be appropriated by the municipality for use by the White House Area Chamber of Commerce which shall be applied towards their operating expenditures. A total amount of \$1,000 shall be appropriated by the municipality for use by Realizing Robertson's Future. A total amount of \$500 shall be appropriated by the municipality for use by the Tennessee Small Business Development Center.

Section 3. The Mid-Cumberland HRA, White House Area Chamber of Commerce, Realizing Robertson's Future, and the Tennessee Small Business Development Center shall comply with all requirements of Section 6-54-111 of *Tennessee Code Annotated* and Title 4, Chapter 3, Section 1 of the *Internal Control and Compliance Manual for Tennessee Municipalities*, particularly with regard to submission of an annual report of its business affairs and transactions and the proposed use of municipal assistance.

Section 4. This resolution shall take effect upon its passage, the public welfare requiring it.

Adopted this 18th day of June, 2015.

Michael Arnold, Mayor

CAPITAL IMPROVEMENT BUDGET SCORING MATRIX

CRITERIA	POSSIBLE SCORES		
	0	1	2
1 Consistency with Community Goals and Plans	Project is inconsistent with city's comprehensive plan or does nothing to advance the City Commission's strategic goals.	Project is consistent with city's comprehensive plan but does little to advance the City Commission's strategic goals.	Project is directly consistent with the city's comprehensive plan and advances the City Commission's strategic goals.
2 Public Health and Safety	Project would have no impact on existing public health and/or safety status.	Project would increase public health and/or safety but does not address an urgent, continual need or hazard.	Project addresses an immediate, continual safety hazard or public health and/or safety need.
3 Mandates or Other Legal Requirements	Project is not mandated or otherwise required by court order, judgment, or interlocal agreements.	Project would address anticipated mandates, other legal requirements or interlocal agreements.	Project required by federal, state, or local mandates, grants, court order and judgments; required as part of interlocal agreements.
4 Maintains or Improves Standard of Service	Project not related to maintaining an existing standard of service.	Project would maintain existing standard of service.	Project would address deficiencies or problems with existing services; would establish new service.
5 Extent of Benefit	Project would benefit only a small percentage of citizens or particular neighborhoods or areas.	Project would benefit a large percentage of citizens or many neighborhoods or areas.	Project would benefit all of the citizens, neighborhoods or areas.
6 Related to Other Projects	Project is not related to other projects in the capital improvement plan (CIP) already underway.	Project is linked to other projects in the CIP already underway but not essential to their completion.	Project essential to the success of other projects identified in the CIP already underway.
7 Public Perception of Need	Project has no public support or established voter appeal; it is not identified by the citizenry as a need.	Project has been identified by the citizenry as a need in the community but lacks strong support.	Project has technical and strong political support; project was suggested by or even demanded by a large number of citizens.
8 Efficiency of Service	Project would have no impact on the efficiency of service.	Project would result in savings by eliminating obsolete or inefficient facilities.	Project would result in significant savings by increasing the efficiency of a service or reducing the on-going cost of a service or facility.
9 Supports Economic Development	Project would discourage or directly prevent capital investment, decrease the tax base, decrease valuation or decrease job opportunities.	Project would have no impact on capital investment, the tax base, valuation or job opportunities.	Project would directly result in capital investment, increased tax base, increased valuation, or improved job opportunities.
10 Environmental Quality	Project would have a negative effect on the environmental quality of the city.	Project would not affect the environmental quality of the city.	Project would improve the sustainability of the environment.
11 Feasibility of Project	Project is unable to proceed due to obstacles (land acquisition, easement, and approval required.)	Minor obstacles exist, project is not entirely ready to proceed.	Project is entirely ready to proceed, no obstacles exist (no land acquisition, easements, approvals, etc., are required).
12 Opportunity Cost	If deferred, the increase in project costs would be less than the rate of inflation.	If deferred, the increase in project costs would be equal to inflation.	If deferred, the increase in project costs would be greater than the rate of inflation.
13 Operational Budget Impact	Project would significantly increase debt service, installment payments, personnel, or other operating costs or decrease revenues.	Project would neither increase nor decrease debt service, installment payment, personnel, other operating costs or revenues.	Project would decrease debt service, installment payments, personnel, or other operating costs or increase revenues.

Capital Improvements Program

Project Detail Sheet

FY 2015-2016

Department:	Engineering	Estimated Cost:	\$1,164,000
New/Repl:	New	Fund:	General Grant
Estimated Date to Begin:	07/01/2015	CIP Matrix Score:	N/A
Estimated Date of Completion:	10/01/2016	Priority:	2

Revenue Impact (if any):

None

Operating Cost Impact:

Maintenance associated with the project includes street sweeping, repainting of the travel lanes, and the replacement of any damaged bike lane signs. The annual estimated maintenance cost is \$5,000 for street sweeping and a long term one-time maintenance cost of \$25,000 for replacing the roadway striping.

Project Description:

Highway 31W Sidewalks (Phase 2)

Construction of sidewalks and bike path along Hwy 31W. This stretch of construction will go from Clearview Apartments up to the trailhead entrance by Revolution Church.

Description of Need:

The project will provide a dedicated bike lane and improve the existing pedestrian connection on Hwy 31W. The project will also provide an improved connection to the City's 3.5 mile greenway system. The project will provide a connection to additional commercial and residential areas along Hwy 31W and provide a connection between the two existing greenway system trail heads on Hwy 31W/SR 41.

Financing Information:

General Fund (non-reimbursable) = \$232,800
Grant (reimbursable) = \$931,200

Capital Improvements Program

Project Detail Sheet

FY 2015-2016

Department:	Parks and Recreation	Estimated Cost:	\$75,000
New/Repl:	Repl	Fund:	General
Estimated Date to Begin:	July 2015	CIP Matrix Score:	15
Estimated Date of Completion:	Oct 2015	Priority:	

Revenue Impact (if any): n/a	Operating Cost Impact: Utility costs may increase slightly due to being able to accommodate more people. However, contractual service expenses will go down once portable toilets are no longer needed.
--	---

Project Description:

Expand the bathrooms (Rear of Municipal Park). This project involves expanding the current facility by adding additional toilets, lavatories, and partitions within the existing footprint of the building.

Description of Need:

There is currently only one toilet each for men and women, which is not enough to handle the crowds that come for youth baseball, youth and adult softball, and youth football and cheerleading activities. Portable toilets have been rented in recent years to help with the overflow.

Financing Information:

Operating Budget

Capital Improvements Program

Project Detail Sheet

FY 2015-2016

Department:	Library	Estimated Cost:	\$150,000
New/Repl:	New library building project	Fund:	\$150,000
Estimated Date to Begin:	8-1-2014	CIP Matrix Score:	13
Estimated Date of Completion:	7-31-2015	Priority:	

Revenue Impact (if any):

This building will be the first of the city's planned town center which will bring in more businesses to the area.

Operating Cost Impact:

There will be an increase in operating cost due to the increase of staff members; increase electrical, water, and sewer usage; and increase technology needs.

Project Description:

This project will consist of a 13,900 square foot new library building. It will sit adjacent to City Hall making it part of a vibrant town center plan for the future. The library facility will serve city residents and surrounding communities with Twenty First Century Library Services. The building will consist of one floor which will house basic materials collection, computers, study rooms, and reading rooms. The City Hall parking lot will also be expanded to allow better access to both library users and City visitors.

Description of Need:

The library is currently the same 4,789 square feet it has been since an addition was added in 1993. The library cannot meet the State minimum standards ratio of items to patrons since there is no space to add additional material. This minimal space also limits the number and type of educational programs the library can provide for children and teens. The layout of the library prohibits the possibility of computer classes as there is no closed off lab to teach a course. Although the library tries to maintain a quiet atmosphere, it is very difficult for tutors and students to work and study in the library as there are no closed off study rooms. A new library building is necessary to address these issues and meet the needs of the City's community members.

Financing Information:

The city of White House will fund 3.6 million of the building cost while as receiving \$500,000 from Sumner County, \$100,000 from the State, and \$200,000 from the memorial grant to help cover debt services costs.

Capital Improvements Program

FY 2015-2016

Department:	Fire	Estimated Cost:	\$69,106
New/Repl:	New	Fund:	General
Estimated Date to Begin:	August 15,2015	CIP Matrix Score:	12
Estimated Date of Completion:	May 1,2016	Priority:	NA Grant Project

Revenue Impact (if any): NA	Operating Cost Impact: NA
------------------------------------	----------------------------------

Project Description: The purchase of the training building will enable our firefighters to participate in live fire training scenarios. This is the only component needed at our fire training facility to receive full ISO credit points for a training center.

Description of Need: Currently the only time our firefighters can receive this type of training is to attend the State Fire Academy at Bell Buckle TN. This type of training is needed on a regular basis and at this time we cannot provide it due to the cost and scheduling issues involved with firefighters traveling to the training facility.

Financing Information: This project is contingent on the award of an AFG grant through FEMA for \$69,106.00 and if awarded our cost share would be \$3290.00 from the Fire Impact Fund and \$65816.00 from the General Fund.

Capital Improvements Program

Project Detail Sheet

FY 2015-2016

Department:	Parks and Recreation	Estimated Cost:	\$250,000
New/Repl:	New	Fund:	General
Estimated Date to Begin:	July 2015	CIP Matrix Score:	8
Estimated Date of Completion:	May 2016	Priority:	

Revenue Impact (if any):
n/a

Operating Cost Impact:

Operating costs will increase due to equipment maintenance, labor, and utilities.

Project Description:

This project involves building a new splash pad on the Municipal Center property.

Description of Need:

This project was identified to be the #1 priority of the Board of Mayor and Aldermen. Splash pads are becoming more and more popular as a way for kids and adults to enjoy aquatic recreation.

Financing Information: Operating Budget

Capital Improvements Program
Project Detail Sheet
 FY 2015-2016

Department:	Fire	Estimated Cost:	\$451,250
New/Repl:	Replacement	Fund:	General
Estimated Date to Begin:	September 1, 2015	CIP Matrix Score:	16
Estimated Date of Completion:	June 1, 2016	Priority:	30

Revenue Impact (if any): NA	Operating Cost Impact: The purchase will result in some reduction in repair costs associated with the maintenance of Engine 1 and the new engine will be under warranty in some areas for up to 10 years.
------------------------------------	--

Project Description: Purchase of a Custom Cab Engine with a 1500 gallon per minute pump and a 500 gallon water tank to replace Engine 1. The purchase of this piece of equipment will include all necessary NFPA and firefighter safety equipment that is needed to serve as an engine company.

Description of Need: This purchase will replace our oldest engine in the fleet that was purchased in 1993. There are several factors that determine when an engine needs to be replaced the age of the vehicle, costs per mile, mileage, and the availability of parts and support to maintain the vehicle. The apparatus to be replaced is 22 years old the maintenance issues are becoming more frequent and more expensive driving up the costs per mile factor. Another issue is the availability of certain parts for the pump components to make necessary repairs.

Financing Information: The purchase of this apparatus will be from a combination of the General Fund and loan for \$451,250.00.

Capital Improvements Program

Project Detail Sheet

FY 2015-2016

Department:	Building Maintenance	Estimated Cost:	\$150,000
New/Repl:	New	Fund:	General
Estimated Date to Begin:	07/01/2015	CIP Matrix Score:	15
Estimated Date of Completion:	05/01/2016	Priority:	2

Revenue Impact (if any): N/A	Operating Cost Impact: N/A
--	--------------------------------------

Project Description:

Add a two sided digital monument sign that can be viewed by drivers at the intersection of Hwy 31W/SR 76. We will also add three flag poles behind the sign. The poles will be for: 1.) American flag; 2.) Tennessee state flag; 3.) City seal flag. To complete this task we will be taking down the current sign at the corner, digging up the current Christmas tree, and relocating the gazebo to the Municipal Recreation Complex.

The current flag pole located in the front of the building on College Street will be taken down.

Description of Need:

We need to update the sign on the City Hall property. It would benefit our citizens to have a way to communicate news to them on the sign.

Financing Information:

N/A

Capital Improvements Program

Project Detail Sheet

FY 2015-2016

Department:	Library	Estimated Cost:	\$150,000
New/Repl:	Remodel old library building	Fund:	\$150,000
Estimated Date to Begin:	8-1-2015	CIP Matrix Score:	9
Estimated Date of Completion:	12-31-2015	Priority:	

Revenue Impact (if any):

This project should help generate revenue as it will allow space for the Chamber of Commerce to better operate in the city.

Operating Cost Impact:

This project will increase operating cost as a full time person will be hired to run the museum and promote city activity/tourism.

Project Description:

The current library space will be remodeled to allow for the chamber to move inside the main building in addition to the museum displays coming downstairs to the main floor, creating more space for both functions.

Description of Need:

The remodel will include but is not limited to: new carpet, new passage ways, new office space, and new displays cases/areas.

Financing Information:

The city will fund \$100,000 of the cost out of the General fund and \$50,000 of the cost out of the Industrial Development fund.

--	--------------------------------------

Project Description: Design for new parking lot (back of park)

The request for this fiscal year is for **design only**. Construction funding will be requested the following fiscal year when an actual set of plans is complete and accurate budget projections can be made. The end result will be additional parking for the back portion of the Municipal Park.

Description of Need:

The need for additional parking at the Municipal Park ranked highly in the Citizen Survey, with 47% of participants rating it as essential or very important. The finished parking area will accommodate users of various features including baseball / softball fields 5 & 6, youth football field, disc golf course, walking trail, etc.

Electricity costs will increase, but the usage of LED fixtures will be the lowest cost option over the long term.

Project Description: Street lighting for the Municipal Park

This project involves installing metal poles, concrete pole bases, LED fixtures, conduit, and wiring to light the roadway, beginning at the stadium parking lot and continuing north and west to the back of the park. Parks Department forces will complete much of the labor on this project.

Description of Need:

There are currently no street lights in the back half of the Municipal Park so this project would eliminate that deficiency. This was the highest ranked park improvement listed on the Citizen Survey, with 64% responding that it was essential or very important.

Estimated Date of Completion:	April 2016	Priority:	5

Revenue Impact (if any): n/a	Operating Cost Impact: Normal equipment maintenance costs
--	---

Project Description:

This project involves the purchase of a new reel mower to maintain Bermuda grass athletic fields.

Description of Need:

The city's athletic fields must be mowed approximately every 2 days during the growing season to keep them in proper condition. This additional mowing equipment will allow the department to stay on a regular mowing schedule and to create a playing surface that is safe to play on, efficient and cost effective to maintain, and that pleases our customer base.

FY 2015-2016

Department:	Police Department	Estimated Cost:	\$78,000.00
New/Repl:	Replacement	Fund:	General Fund
Estimated Date to Begin:	7/31/15	CIP Matrix Score:	19
Estimated Date of Completion:	12/31/15	Priority:	1

Revenue Impact (if any): These will be new vehicles and will require lower maintenance costs.	Operating Cost Impact: Operating expenses will be oil and fuel.
---	---

Project Description:

Purchase and replace two Police Pursuit Vehicles. This includes equipment accessories such as lights, siren, plastic molded rear seat, gun rack, rear window barrier, digital in-car camera, in-car mounted radar system, and installation for both vehicles.

Description of Need:

These vehicles will be new and replace two 8-year old vehicles. The vehicles are requiring increasing maintenance cost, the paint is fading, and the decals are wearing off. In order to patrol it is important that our vehicles are safe to operate and are appealing to the community that we serve.

Financing Information:

We have Governor's Highway Safety Grant to purchase the digital in-car cameras and the radars in these two vehicles.

Estimated Date of Completion:	3/31/16	Priority:	3

Revenue Impact (if any): This will be a new security system and will require lower maintenance costs.	Operating Cost Impact: Operating expenses will be an annual maintenance update.
---	---

Project Description:
Purchase and replace the existing security system at the Police Department. This includes new access controls as well as new cameras.

Description of Need:
The existing security system is 12 years old and the software is outdated. Replacement parts are no longer available and we have lost the ability to add or delete employees from the system. The camera system is extremely poor and it takes 4 hours to download and save a 15 minute video. The camera resolution is also extremely poor and can't be trusted to record incidents outside the building.

Financing Information:
This project would be paid for out of the General Fund.

Project Description: Columbarium-48 niche

This project involves the installation of a 48 niche columbarium at Hillcrest Municipal Cemetery for the interment of cremains.

Description of Need:

The cemetery board of trustees has explained that cremations are becoming increasingly common, even overtaking casket interments in some areas. Hillcrest Cemetery would be the only one in the immediate area with a columbarium, and demand is expected to be high. The board of trustees feels certain that the investment is not only safe, but ultimately profitable.

Project Description: Grinder Pump Replacement Program

Description of Need:
 The City's sewer collection system is comprised of two (2) vacuum systems, gravity systems and grinder pump systems. The grinder pumps comprise approximately 2,800 units within the system. Most systems are simplex residential units, but we have about 200 duplex commercial systems. The horsepower ranges from 1HP to 7HP pumps. Some are positive displacement pumps and some are centrifugal pumps. These pumps are rated at a 7-10 year life cycle. The grinder pump program is an ongoing project that replaces failed pumps with either a new pump or a rebuilt pump. In 2013 we replaced approximately 313 pumps. The cost of a new PD pump is \$1,250.00. We can assume that we'll have at least a 10% failure rate.

--------------------------------------	------------------------------------

Project Description: Wilkinson Lane LS VFD/Controls Project

Description of Need:
 When the station was originally designed, they placed the control panel on top of the wet well. Since the sewer systems that feed into this station are primarily comprised of grinder pumps, the station tends to have high levels of H₂S. Given the wet conditions inside the wetwell, there's also a tendency to create sulfuric acid gases. The current panel components have been changed more than once. It will be more practical to install a new panel instead of trying to coordinate a "move" of the existing panel. Additionally, the flow fluctuates enough to warrant the installation of variable frequency drives (VFD's). We are also trying to standardize our controls to one manufacturer – Grundfos – so we can access and control the stations remotely.

BENEFIT SUMMARY CHART 2015 - 2016

Benefit

Explanation of Benefit

When Eligible

Who's Eligible

Employee Cost/PP

Benefit	Explanation of Benefit	When Eligible	Who's Eligible	Employee Cost/PP
Medical Insurance	City pays 85% of the single premium for employees. The city pays 76% of the premium for spouse, 80% of child(ren) & 72% of family coverage, dependant upon annual budgetary availability.	The 1st of the month following 30 days of employment.	All regular full-time employees	Single \$40.42 Spouse \$135.82 Child \$98.63 Family \$229.01
Dental Insurance	The City offers dental insurance through Delta Dental. The City pays 100% of the premium for employees only.	The 1st of the month following 30 days of employment.	All regular full-time employees	Single \$0.00 Spouse \$13.11 Child \$16.87 Family \$37.32
Vision	City sponsors a self-funded reimbursement plan for eye exams, lenses and contacts. Maximum benefit is \$200 per year. "Employee Only."	The 1st of the month following 30 days of employment.	All regular full-time employees	City pays 100% of premium.
Supplemental Vision Insurance	Vision coverage is a voluntary benefit provided by Guardian	The 1st of the month following 30 days of employment.	All regular full-time employees	Single \$3.70 Spouse \$6.23 Child \$6.35 Family \$10.05
LegalShield	Legal Service Plan and Identity Theft Plan	The 1st of the month following 30 days of employment.	All regular full-time employees	Legal Service Plan \$7.36 Identity Theft Plan \$6.90 Both \$11.95
Group Life Insurance	1 x's employee's salary not to exceed \$50,000.	The 1st of the month following 30 days of employment.	All regular full-time employees	City pays 100% of premium.
Line of Duty Insurance	\$50,000 maximum death benefit for police officers and firefighters.	The 1st of the month following 30 days of employment.	All regular full-time police officers and firefighters.	City pays 100% of premium.
Dependent Life Insurance	Spouse coverage: \$10,000 Child Coverage: \$1,000	The 1st of the month following 30 days of employment.	All regular full-time employees	City pays 100% of premium.
Long Term Disability Insurance	After 180 days of disability, plan pays 60% of earnings up to \$3,000 per month. Benefit period is 5 years.	The 1st of the month following 30 days of employment.	All regular full-time employees	City pays 100% of premium.
Supplemental Insurance	Employees may obtain additional life and short term disability insurance.	The 1st of the month following 30 days of employment.	All regular full-time employees	Employee pays 100% of premium.
Family and Medical Leave	Eligible employees receive up to 12 weeks of job protected leave for qualifying event. Payment is based on leave hours.	Must have worked at least one year and a minimum of 1,250 hours.	All employees who meet FMLA eligibility requirements.	Accrued leave is exhausted, then leave is unpaid.

BENEFIT SUMMARY CHART 2015 - 2016

Benefit **Explanation of Benefit** **When Eligible** **Who's Eligible** **Employee Cost/PP**

Vacation	Accrues based on employee's years of service with a maximum number of hours that may accrue. Refer to personnel manual for accrual schedule and maximum accrual.	After 90 days of employment for non-exempt employees.	All regular full-time employees	None
Personal Leave	Two days per fiscal year	July 1 following hire date	All regular full-time employees	None
Sick Leave	Accrues based on schedule in Personnel Manual.	After 90 days of employment for non-exempt employees.	All regular full-time employees	None
Holidays	11.5 paid holidays per year. Holiday schedules are distributed each year.	After 90 days of employment for non-exempt employees.	All regular full-time employees	None
Jury Duty Leave	Employees will be excused from their regular duties with full pay for the duration of the jury duty.	Immediately	All regular full-time employees	None
Military Leave	Employees will be allowed a total of 160 hours of military leave per calendar year.	After two years of employment.	All regular full-time employees	None
Bereavement Leave	Up to 3 days leave will be granted to employees upon the death of a member of their immediate family.	Immediately	All regular full-time employees	None
457 Plan	Employees may enroll in a tax-deferred retirement account.	The 1st of the month following 30 days of employment.	All regular full-time employees	Employees contribute 100%.
TCRS Retirement	Mandatory employee contribution into the Tennessee Consolidated Retirement System.	Six months	All regular full-time and part-time employees working at least 30 hours per week.	Employees contribute 5% of gross. City contributes.
