## ~ Administration ~

On behalf of the White House Police Department, I am pleased to present to you the 2019 Annual Report of the White House Police Department. This annual report is a historical document for the police department to be kept as a permanent record. This report reflects the hard work, outstanding accomplishments and the professional service provided by the men and women of this department.

2019 was a very successful year for the White House Police Department. There were many personnel changes that occurred. Officer Michael Thomas, Sgt. Tommy Eisenbraun and Officer Ryan Scott all resigned to take advantage of opportunities presented to them. We had one Officer terminated. In October 2019, Officer Taylor Trombley was hired. In December of 2019, Officer Lars Carlson was hired.

The police department received several awards during 2019. In September 2019, at the Tennessee Life Saver's Conference, the White House Police Department received second place in the State of Tennessee for an agency 11-25 officers in the Law Enforcement Challenge. We also received first place in the State of Tennessee for an agency 11-25 officers for our Bicycle and Pedestrian Safety Programs, as well as a Special Category Award for our Traffic Enforcement Programs

In 2019, we applied for several grants. One grant was to the Tennessee Governor's Highway Safety Office for overtimes for officers to conduct increased DUI enforcement. We were successful in receiving this grant. This was a \$40,000 grant to cover overtime costs and to purchase two Digital in-car cameras, two light bars for the new SUVs and other items of equipment. We also received a grant from the U.S. Department of Justice to pay for 50% of three bullet proof vests.

## ~ Grants ~

**Wal-Mart Community Safety Grant:** In November, the White House Police Department received a \$2,500 Community Safety Grant. The grant money will be applied towards the purchase of materials for all Crime Preventions/Injury Prevention/Safety Programs sponsored by the White House Police Department.

**Bulletproof Vest Partnership Grant:** In October, the White House Police Department was awarded the Bulletproof Vest Partnership Grant. The grant will reimburse the police department 50% of the total cost of the vests which will equate to a savings of \$1,200.00.

**Governor's Highway Safety Grant:** In September of 2019, we were awarded two separate grants due to our hard work and dedication to roadway, bicycle and pedestrian safety. Sgt. Brisson was selected by the THSO to be the Grant Coordinator and liaison for the Middle Tennessee District. With this honor the police department was awarded a \$20,000.00 grant to reimburse the department for any travel and training expenses due to Sgt. Brisson's position and left-over monies could be spent on vital safety equipment for the police department's officers to keep them safe while out on the roadways. We also received an additional \$15,000.00 grant. This money would be split, half used to pay officers overtime to work special DUI enforcement operations and the other to purchase much needed safety equipment while working the roadways such as additional lights, cameras and reflective vests.

## ~ Training ~

The White House Police Department employees are well trained to provide exceptional police services to the community. Proper training provides for greater productivity, effectiveness and unity of purpose. Proper training also enhances our ability to act decisively and correctly in our duties and responsibilities. Generally, we try to have officers trained as instructors in specialized areas so they can train our officers.

All of our full-time police officers are required to be certified by the State of Tennessee Peace Officer Standards and Training Commission. To obtain certification, officers must complete the basic course that includes a minimum of 400 hours of training. In addition, all officers must successfully complete forty (40) hours of in-service training each year.

All officers are required to participate in a *Field Training Program* designed to last eight to fourteen weeks depending on the employee's skills and ability. The new employee is with a *Field Training Officer* (FTO) this entire time while performance and knowledge is evaluated daily. At the end of each week, a summary of strengths and weaknesses are documented and signed-off by the new officer, the FTO, the supervisor-in-charge of the *Field Training Program* and the Chief of Police.

<b>Training Hours</b>	1,661	1,960	1,030	2,310.5	1837.5

## ~ Police Department Fleet ~

The Police Department ended the year with 23 motor vehicles: fourteen for uniform patrol; one for Community Relations (D.A.R.E.); two for ERT; two for Investigations; two for court and two for Administration. We also have five bicycles for bike patrol, a John Deere Gator UTV.

We have ordered four 2019 Ford Explorer Interceptors for Patrol. We are still waiting for these vehicles. We are hoping to receive these vehicles in the Fiscal Year 20-21.

The Community Relations Sergeant works with all types of community groups such as:

- Businesses
- Neighborhood Organizations
- Churches
- Daycare Facilities
- Any and all other interested community groups.

These groups receive education in active shooter, woman's self-defense, fraudulent activity awareness, adult senior safety education, ways to set up neighborhood watch programs, stranger danger and bike safety.

D.A.R.E. (Drug Abuse Resistance Education) Program is universally viewed as the most effective model of community policing. The White House Police Department's program, started in one school in 1995 and was taught in one school during 2019. The ten-week curriculum was taught by D.A.R.E. Instructor, Sergeant Eric Enck at White House Middle School.

## ~ Shop with a Cop/Fireman ~

The White House Police Department and White House Fire Department conducted their 6<sup>th</sup> Annual Shop with a Cop/Firefighter program on Saturday, December 14<sup>th</sup>. The program sponsored 24 children who were recommended by our local school system that needed assistance for Christmas. The children were partnered with a police officer or firefighter and allowed to shop at Walmart for Christmas presents for themselves and family Members.

The program is sponsored by the City of White House Rotary Club, who holds an annual golf tournament to help the event. The City held a bowling tournament at Strike and Spare Family Fun Center in Hendersonville to help raise funds. Also, this year we received generous donations from Craig Johnson's Construction Company and Joe Burris of Value Cargo Vans.

Walmart and Subway donate the facility, wrapping paper and lunch.

It also gives local law enforcement and fire/rescue personnel an opportunity to meet the public, hand out safety literature and display their equipment.

# ~ Citizen's Police Academy ~ 19<sup>th</sup> Annual

The White House Police Department has found education to be the most effective means of gaining understanding and support from the community. The Citizen's Police Academy offers citizens insight into how police officers perform their duties and how the department serves the community. In 2019, fourteen citizens attended and graduated from the 19th annual class. The purpose of the Citizen's Police Academy is to foster better communication between citizens and police through education. The Academy will create a nucleus of well-informed citizens who possess greater insight into police practices, services, and crime prevention. Graduates of the Academy can share their knowledge and experiences with the community as the opportunity arises. Everyone benefits from enhancing a citizens understanding of the role and function of their police department.

## ~ Drug Take Back Program ~

The U.S. Drug Enforcement Administration (DEA) and the White House Police Department held two Prescription Drug Take-Back Days during 2019; both at Kroger in April and October. We collected a total of 175 pounds at both events. This was an opportunity for the public to prevent pill abuse and theft by ridding their homes of potentially dangerous, expired, unused, and unwanted prescription drugs for safe disposal. This initiative addresses a vital public safety and public health issue. Prescription drugs are being misused and abused at alarming rates in the United States—more Americans currently abuse prescription drugs more than the number of those using cocaine, hallucinogens, and heroin combined, according to the 2009 National Survey on Drug Use and Health. Many Americans are not aware that medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse.

~ S.P.E.A.R.E. ~  
*Self-Protection  
Environmental Awareness*

**S.P.E.A.R.E.**

(Self-Protection Environmental Awareness and Rape Education) was started by Sgt. Eric Enck in 2009. He, along with the assistance of other qualified helpers, instructed 175 – 200 women (ages 11-80) in Self Defense Education throughout the community this year.

# ~ Criminal Investigations Division ~

**Detective Sergeant Dan Hunter**

**Detective Danny Ward**

The Criminal Investigations Division is staffed by a Detective Sergeant and a Detective. The Detective Sergeant is responsible for the management of all criminal cases. This includes case assignment and case clearance. There are many ways in which cases are cleared. The most notable are: clearances when an arrest is made, any unfounded case, the case is referred to another agency, any case where prosecution is declined and/or the victim refuses to cooperate, or after exhausting all leads, we are unable to develop a suspect. Although all cases are not cleared, there are numerous times, through the investigation of a crime that occurred in another jurisdiction, a local crime may be cleared also. The Criminal Investigation's Unit works closely with the Tennessee Bureau of Investigation (TBI), the Federal Bureau of Investigation (FBI), and Homeland Security, as well as being an active member of local Child Protective Investigative Teams (CPIT) and Child Abuse Response Teams (CART). The Detectives also participate in criminal intelligence meetings with all surrounding agencies, ensuring that vital information on criminal activity is shared.

## ~ K-9 Unit ~

The White House Police Department has one K-9 Unit, Officer Jason Ghee and his K-9 partner, Kailee (assigned 2016). The K-9 Unit is prepared for call-outs at any time to assist patrol officers in vehicle sniffs. In addition to call-outs, the K-9 Unit is active in community service requests such as demonstrations at community events. Kailee loves to demonstrate her special skills and fascinate people of all ages with her remarkable skill to locate illegal substances.

In April 2019, Officer Jason Ghee was assigned to the FBI Violent Crime and Gang Task Force (Squad 11) as a Task Force Officer. TFO Ghee has made several drug arrests, seizing assets on Federal charges which has removed drugs, property and money off the streets relating to drug or Felony offenses. His attachment provides resources for the White House Police Department to assist in Felony crimes and many other investigations that occur in the city limits of White House. It also helps White House with connections to other federal agencies and resources which benefit the departments investigations.

## ~ Emergency Response Team ~

Officer David Segerson is assigned to the Sumner County Emergency Response Team. We provide uniforms and some special equipment. They train monthly and are always on standby for call outs to emergency situations, felony warrant service, hostage situations, etc. The Emergency Response Team Call Outs in 2019, ranged from high risk search warrants, high risk arrest warrants, barricaded suspects and fugitive apprehensions.

## ~ Uniform Patrol ~

Police personnel generate incident reports when a complaint is of such a nature that it requires detailed information. Such reports include crime reports, information reports on suspicious circumstances, driving under the influence of drugs and/or alcohol, etc. We, as a local law enforcement agency, participate in reporting crimes that are committed in our respective community to the FBI through the State of Tennessee’s Incident Based Reporting System (TIBRS). The Tennessee Bureau of Investigation compiles and publishes the data in *Crime in Tennessee*, an annual publication. The Federal Bureau of Investigation (FBI) annually publishes *Crime in the United States* which details crime committed in all cities with a population of 10,000 or more residents. The information reported is obtained from local law enforcement agencies. Although the data we submit is very detailed on all crimes committed, the following tables give us a snapshot of the crimes that were committed in the City of White House:

# ~ Traffic Control ~

Traffic Control is our most visible work product. You see the marked police cars patrolling the city. You see them when they have their overhead lights on at a traffic stop or traffic crash. Sometimes you see them in your rearview mirror and you quickly check your speedometer and make sure to make a complete stop at stop signs. We try to bring order through traffic control devices and enforcement in what otherwise would be complete chaos on the street. Can you imagine an intersection with no stop signs or traffic lights? With a major interstate and three state routes, the City of White House receives more vehicles traveling through or stopping to visit than many cities the same size. We take pride in the fact that our officers are highly trained in conducting professional, courteous and safe traffic stops for both the motoring public and the officers.

## Traffic Crashes

Although we would consider crash reports as incident reports, we have kept them separated for this report. The State of Tennessee requires us to submit a report that has been developed by them. We refer to this as the *Tennessee Uniform Traffic Crash Report*. The State has specific guidelines as to what is a reportable crash and what is not reportable. We are not required to report minor crashes with no injuries and damage less than \$400.00.

The following is a breakdown of crash reports that were reported to the State.

	2019	2018	2017	2016	2015
<b>Traffic Crash Reports</b>	446	467	436	414	395
Injury Crashes	42	53	54	51	54
Fatalities	1	0	0	1	0

Crashes decreased by 4% this year. Sergeant Brisson is actively involved with the Tennessee Highway Safety Office. Together they keep us involved in traffic safety campaigns such as “Click it or Ticket” and “Booze it and Lose it!” These campaigns are designed to reduce traffic crashes and the severity of injury.

## Traffic Enforcement Activity

The following table depicts our efforts in the enforcement of traffic code violations. We cite under many State and Local codes. Most traffic violators are cited into the City of White House Traffic Court, but in some cases we cite them into the General Session’s Court in the county of violation.

Enforcement of Traffic Laws	2019	2018	2017	2016	2015

Written Warnings	980	960	887	1,013	1,091
Verbal Warnings	4,623	4,014	2,405	2,100	2,558

## Traffic School

Six Traffic Schools were instructed in 2019 by our Certified Instructors, Sergeant Joel Brisson and Officer Jordan Baker. Fifty-four citizens attended Traffic School in 2019. Our instructors are certified by the State of Tennessee Department of Safety to provide driver education courses.

## *~ Expenditures ~*

As with any organization, personnel costs consume a large portion of the police department's budget. Expenditures for all police and communications for the fiscal year 2018-2019 increased by \$186,780 from 2017-2018.

<b>EXPENDITURES: POLICE &amp; COMMUNICATIONS</b>	<b>2018-2019</b>	<b>2017-2018</b>	<b>2016-2017</b>	<b>2015-2016</b>

**White House Chamber launches life skills program**

White House Chamber and police department brought a little joy to the students of White Middle School through their Handshakes High Fives program.

The new program is part of the chamber's educational initiative to instill soft skills and confidence in students. Studies show that people entering the workforce are lacking in some of the basic skills - phone and interview etiquette, personal communications like handshakes and contact. The goal is to expose students at an early age to engage with business professionals and community leaders to instill confidence and introduce some of these skills that are often for granted.
